COUGARS IN HEAT

I am writing about Aimee, the off the chain sexy Cougar in your May issue. I don't know if it is because she has a great body and the look on her face that says she loves to fuck, or if it is the things she says in the magazine about loving younger men, and that she enjoys a power play in bed. All I know is that I just want to bang her.

I'm 33 now. In my twenties, I had sex with older women on two occasions. Those experiences were amongst the most memorable and most pleasurable experiences I ever had. One was a woman I met in a bar and only knew for ten minutes when we went out to my car in the bar's parking lot and fucked in the back seat. She straddled me and

Aimee

Morgan

rode up and down on my dick, moaning like it was the best thing she ever had in her pussy. I knew when she was cumming, because she kept moaning oh, oh, oh. Then I filled the condom she made me wear and it was over.

The other was a woman I saw regularly for about three or four months. She was married and I could only see her during the day-time, when her kids were in school and her husband was at work. She would pin me down in bed, with my arms over my head, and she would hold her body a few inches above mine and ride my dick, holding it tightly in her pussy. It was like she was challenging me, and I would wrestle with her and turn her over and fuck her doggy-style, and she loved that.

Maturity is a beautiful thing. I really like your magazine!

KINKY, HORNY WIVES

I am a longtime fan of OVER 40 and recently, my wife has become interested in the magazine. Our relationship is much like your May model Adriana's is with her husband.

I had the fantasy of seeing my wife with another man. I think this is more common than many people think. I talked to her about it and the idea turned her on. The first time was awkward, but my wife took the reins and rubbed herself up against the guy as she undid his pants and fished his dick out of his underwear. It was exciting to see her on her knees sucking him and

enjoy looking at her pussy and thinking about what I would like to do with her. Honey, I love foreplay and giving and getting oral, too, and my favorite thing to do with a woman is 69. In my fantasy of you, we are in the 69 position, and my tongue is in your pussy and my nose is in your butt, and you are sucking my dick like only an older woman with experience can do. I imagine your hot mouth around my dick and your tongue moving up and down on my cock shaft. I imagine the sweet taste of your juices and your pussy lips fluttering around my mouth and rubbing your clitoris with my top lip. I am an experienced pussy-lapper, as you might guess, and I would love to give you oral orgasms and jizz down your throat!

It would be a thrill to see Honey oozing her sweetness in OVER 40 again soon!

then later, on her hands and knees naked while he plowed her from behind. After, when it was just her and me, I fucked her like I was a 20-year-old again and never loved my wife more!

Then, afterwards, my wife pointed out to me that May model Morgan and her man enjoy threesomes with another woman. Then, she said, "Hint, hint," with a sexy wink. I asked her if she wanted to see me with another woman and she said yes, but not as much as she wants me to see HER with another woman. Woo-hoo! I'm all for that. Thank you, OVER 40 and thank you, Morgan!

WET AND READY 24/7

I am a woman in my forties and I must say that it is like the women in OVER 40 claim, my sex drive is running in high gear. I find myself, like Shelley in your May issue, having meaningless sex with every guy that strikes my fancy and mostly, it is with guys half my age.

I mainly date guys in their

twenties like Maeve. I don't chase them or approach them. They ask me out. In talking to these guys, I've learned that they like the calmness and confidence of an older woman. They also believe that older women are horny 24/7 and will always want sex. That's true in my case and I have come to prefer younger guys because they are more sexually open-minded and experimental than the older man I was married to and the older men I dated for a while after my divorce.

To Maeve, I also must add, I have to say I am jealous of her ability to read people. I have never been very good at that. But anyway, sex with younger dudes, yeah, girl, it's a kick and a half. Every time I do it, I have the most powerful orgasms and feel like I am 18 again. Older women know how to have fun!

OVER 40: Can you describe yourself sexually in just a few words?

MONICA: Yes, that's easy. I'm one hot mama.

O40: How's your sex life? When's the last time you had sex?

M: My sex life is pretty fabulous. I had some great sex last night. We were like rabbits. Every position and practically no sleep at all.

O40: Do you have a favorite sex position?

M: I like a little bit of everything, but the ones I like most of all are doggy and woman on top. The kinkiest position I have ever been in was with this guy who ate my pussy while holding me by my legs. I was hanging with my head down and I sucked him at the same time. Basically, it was a 69 in the standing position. The blood rushed to my head, so you can say I was dizzy with pleasure.

O40: Did you get off?

M: When he laid me down and fucked me, yes.

O40: Do you like giving oral to a man?

M: “Like” is not a strong enough word. I love giving oral to a man, even crave it sometimes. I love sucking dick and tasting him and feeling him climax.

O40: So, you swallow?

M: It just seems like the natural thing to do after all my work and I'm not into having it on my face.

O40: Do you prefer to give a BJ on your knees or some other way?

M: I like to straddle one of his legs and rub myself against him while blowing him.

O40: Describe your technique for giving head.

M: I don't really have a tech-

nique, except to be sure that I touch every inch of his dick with my tongue and to take him into my mouth as far as I can. Whenever possible, I crunch on a few peppermints beforehand. I've gotten some great reactions doing that. It gives him a hot tingly feeling and often makes the guy cum harder.

O40: Are you into any kind of kinky sex?

M: I like dominance. Not the whole wearing leather, with the ball in my mouth thing, but like being handcuffed to the bed or held down.

O40: Have you ever had an erotic spanking? Do you like or want that?

M: I don't want to be spanked and pity the guy that tries it. If he wants to do anything to my ass, he can rub it or lick it. And licking it, that is something I do enjoy!

O40: Do you enjoy anal sex?

M: Anal brings out the wild in me, but I can only enjoy it in the missionary position. It feels great that way, plus the guy can thrust harder and go deeper. It gives me amazing orgasms and watching his facial expressions is such a turn-on.

O40: Have you ever had double-penetration, either with two men or with a man and a sex toy?

M: I have never been with two men at the same time. Nice thought, though! I have had double-penetration using a vibrator in my pussy while having anal sex, but didn't find it comfortable and just used the vibrator on my clit instead.

O40: In closing, our readers would love to know how a man could score with a sexy so-called older woman like you. Do pick up lines work?

M: Pick up lines only work if they are clever, elicit a smile, and are appropriate to the situation at hand. Being natural is the safest bet. You should know exactly who you are and be confident in that!

“It hurt so good, I started cumming and I kept on cumming while he fucked me.”

BY MAGGIE SPECTER

AGE:

FROM:
Hillsdale, New Jersey

OVER 40: Describe your sexual personality.

KELLIE: I am a sexual extrovert. I try to strike the right balance between naughty and nice, but there's a bad girl in me that just loves to get out. I love exhibiting my sexy side by being playfully provocative. I'm a slut in the sack!

O40: Do you have a significant other?

K: No, I like my independence. I am single, with a couple of close male friends.

O40: Are you only into guys?

K: Not ONLY, but mostly. Men are just far too amazing and are definitely my number one preference.

O40: What is the hottest, man-pleasing outfit you own?

K: I have an extensive sexy wardrobe, but I find a satin blouse over a matching lacy, see-through bra, a short leather skirt and high heels always catches a man's eye.

O40: What about panties? Do you wear them? What style?

K: I only wear panties under skirts or dresses. I usually wear bikinis or boy shorts, lacy ones.

O40: What kind of underwear do you like to see on a man?

K: Boxers are a personal favorite and briefs are nice if the guy fills them out.

O40: How do you dress for sex?

K: In sexy lingerie or, if I am feeling particularly naughty, a PVC nurse's outfit and boots.

O40: Are you sexually dominant or submissive?

K: It all depends on the mood I am in or the person I am having sex with. Most of the time, I like to be dominant, but for the right person, I can be slavishly submissive.

O40: Describe the right person.

K: Somebody I can totally trust and feel safe with.

O40: Have you ever been tied up for sex?

K: I have been blindfolded, gagged, and tied up with my arms and legs spread open. I didn't know what was going to happen and the anticipation was the best kind of fore-play. He told me that I was at his mercy and that he could do any-

thing he wanted to me, and that I would like it, because I was nothing but a filthy slut. Then, he touched me roughly all over, and pinched and twisted my nipples. It hurt so good, I started cumming and I kept on cumming while he fucked me and also worked a dildo in my ass. Sometimes, relinquishing all control can be very gratifying.

O40: Do you enjoy anal sex?

K: I am not crazy about anal, but sometimes, I get the urge for it.

O40: What do you like to do with a woman?

K: I like fingering a woman, I like humping a woman, and rubbing against a woman, and I like giving oral to a woman and having a woman give me oral.

O40: Do you ever use sex toys with a woman or alone?

K: I have a flexible latex dildo that is very realistic to the touch. I love using it alone. I like to lay in the dark, with my legs up over something and use it to fuck myself into utter exhaustion. I also like to use it on a woman. I like to see her pussy open as I push the dildo in and see her pussy close around the dildo, molding to it. I like to see it sticking out of her and I like to lick and suck her clit while I am fucking her with the dildo.

O40: Have you ever had a threesome with a man and a woman?

K: No, and that is not something I would want. I have had threesomes with two females and will again, because they're fun. But when it comes to men, I am a greedy bitch. I want him all to myself. I am more than enough woman for any man. Anything a man wants to do, he can do it with me!

“As I’m getting older, I’m just getting wilder!”

BY BEA HARRIS

AGE:

OCCUPATION:

FROM:
Atlanta, Georgia

OVER 40: Are you married?

GENNIE: No, these days, I’m a single Mom. I was married but not now, and I’d rather not get into the unhappy details.

O40: Are you seeing anyone special?

G: Well, several “someones.” (Laughs.) Anyone I fuck is special, at least for the night. I’m not looking for anything long-term right now. When I find the right man my kids will have a new daddy, but I’m in no hurry to have that happen. My son and daughter are in college now. I don’t ask them about their dates, and they don’t ask about mine. They wouldn’t be too

freaked out that I’m into one-night or one-hour stands, but there’s no reason for them to know about that.

O40: Do you go “cruising,” if that’s the right word?

G: Close enough. When one of the men I know isn’t available, I’ll go to a couple of places I know in another town and see what I can find.

O40: Do you prefer younger or older men?

G: These days, I prefer men who are close to my own age. Younger men have the stamina, but not many of them have the experience.

O40: You don’t like to play the teacher.

G: No. I’m out to relieve stress, not add to it by having to work around shyness or a technique so inept I can’t get real satisfaction. Men who see me as a “Mom I’d Like To Fuck” — I love the term! — had better know how to fuck.

O40: What would you say was your wildest experience so far?

G: “So far” is right! As I’m getting older, I’m just getting wilder! Recently, I found myself at a sex party.

O40: By “found yourself,” do you mean you didn’t know what it was until you were there?

G: Oh, I knew. I just wasn’t sure what to expect. One of the men I see from time to time — a man I’d

fuck more than once — invited me to what he called a gathering of like-minded people. I knew he meant sex, but I thought it would just be an ordinary party with people who talked about sex.

O40: But it was more than just talk.

G: Oh, you bet! At first it was just a party, like I thought, until the hostess excused herself and came back in the living room stark naked! I was staring at her in amazement, but everyone else wasn't — they were all busy getting naked! The man who invited me said it was perfectly okay for me to leave if I couldn't deal with the scene. I thought about that for a moment, saw all that naked flesh, saw his naked cock and balls, and I started to undress myself. Two of the couples were already at it, and my friend said we could go to another room. I said what the hell and took hold of his prick, and we got it on right there in the middle of the room.

O40: Were you able to watch the others?

G: Yes, and I had no idea how arousing that could be. I was on all fours and he was fucking me from behind, and I could watch one of the men slip his cock into a woman right in front of me. Beside me, a woman was riding one of the men on top. I happen to love that position, and when my friend climaxed, I walked around to look for the next available prick. That took about five minutes before I was straddling another man's waist, and I fucked a third man cowgirl before I was finally worn out. I had never had so many orgasms!

O40: Gennie, your layout will generate many orgasms! Thank you!

“I love that orgasmic high. Sex is the best drug there is!”

BY MAGGIE SPECTER

AGE:
45

OCCUPATION:
Paralegal
FROM:
**Centerville,
Minnesota**

OVER 40: To what do we owe for the pleasure of having you in OVER 40?

CAMILLE: I got into nude modeling on a whim. I decided one day to respond to an ad looking for mature nude models. The next thing I knew, I was whisked off to do a photo shoot.

O40: Was it fun?

C: It was like sexual foreplay. I kept getting more and more turned on and when it was over, I just wanted to get pounded.

O40: Does sex get better as you

get older? Do you want it more? Describe yourself sexually and how you are different now than when younger.

C: I think sex becomes more passionate as you get older. I definitely want more sex than ever before. When younger, I thought I was having great sex, even though I often did not have an orgasm. I would think about it too hard, try too hard, and try to hurry for my partner's sake. Now, I just relax and let it happen.

O40: Are your orgasms stronger now?

C: Oh, yes! I have shaky, toe-curling orgasms and the feeling stays with me for a while. I love it. I love that orgasmic high. Sex is the best drug there is!

O40: Are you into men or women, or both sexes?

C: I like men, but I'm open-minded about girl-girl. A former neighbor and I used to experiment with each other all the time. We even used cucumbers once. I would love to experiment again. I have a strong urge to have a threesome with a woman and a man.

O40: Do you ever use a cucumber on yourself? Do you masturbate a lot?

C: No more cucumbers. I have a vibrator now. I use it every morning, because I am always

horny when I wake up and there is no better way to start the day. Cumming gets me going!

O40: Are you into younger men or guys your own age or older?

C: Younger guys can give you four hours of hard fucking without needing to take a little blue pill first and I'm all for that. However, I don't choose to be with a man because of his age. Younger or older, both are fun. One of my favorite lovers is a man in his late forties. He gets me off so many times with his fingers and his tongue and then he mounts me and fucks me,

and his dick is always so, so hard. He fucks me slowly, going in deep and grinding his dick around in my pussy, until I start clawing his back and telling him how good he is making me feel. Then he fucks me faster and we explode together. He is always on target and always gives me fantastic orgasms.

O40: Do you require a lot of foreplay?

C: Yes, I do, but not because I need foreplay to get turned on. I am always turned on to having sex. Foreplay is part of sex.

O40: What types of foreplay do you enjoy?

C: I am a very oral person, I like to be eaten, and I love going down on a man. I like him to tell me his fantasies and what he is thinking as he is touching me or while I am sucking his dick. I like to be touched and massaged in sensitive areas. Sometimes, I like watching adult movies to get some ideas of things we could try. Just listening to the people in the movie moaning and groaning and cumming is a turn-on while fucking and cumming with them.

O40: Sounds like you might enjoy being at a sex party. Ever consider it?

C: All the time, and if anyone ever invites me to a sex party, I'll be there.

O40: Camille, is there anything you would like to say to our readers in closing?

C: I hope you find my pictures stimulating and that you will have lusty thoughts about me while looking at them.

OVER 40: You have a great body. What do you think is your best feature? What do you get the most compliments for?

COLBY: Everyone tells me I have really nice legs. I think I have a rocking butt. I get compliments all the time for guys that go, "Nice ass!" I have also been told I have nice feet. My toes are definitely suck-worthy.

O40: Do you like to have your toes sucked?

C: The hands and the feet are very sensitive. I like to have my toes and my fingers sucked and I like to have my soles and my palms licked. Gives me chills!

O40: Describe yourself sexually?

C: I should be rated triple-X. I'm that hot. I have very few limits.

O40: Are you married, single or in some sort of relationship?

C: I'm single. I was in a longtime relationship that got stale and I decided I needed my space. I do have some male friends with whom I enjoy long nights or days of lovemaking. I don't want anything more than that right now, except maybe to have more male friends.

O40: How about girlfriends?

C: I love my girlfriends, but I don't want to lick their pussies or have

them lick mine. Girlfriends are for shopping and clubbing and drinking Appletinis with while dishing about the guys in our lives and females we think are bitches.

O40: Do you have a favorite sex toy?

C: I'm not really into toys. I like the natural thing. However, if a guy I am with wants to use a toy, I have no problem with it.

O40: Have you ever been with a guy who liked to use toys?

C: Yeah, one guy who liked to have things stuck up his ass and a guy who wanted to jerk off over me while I fucked myself with a dildo he bought me. It was hot having

him watching me and seeing his facial expressions as he stroked his manhood, the involuntary thrusting, and then the way he clenched his teeth, with his eyes rolling back, as he started to squirt. Watching him squirt was a massive turn-on.

O40: Where did he cum?

C: All over me, and I managed to catch just a bit in my mouth.

O40: What is your favorite sex act?

C: It's difficult to pick just one, but there is one thing I never fail to enjoy and that's a good body-slamming fuck.

O40: What is your favorite part of fucking?

C: I love the making out and when he slides my panties off, then when he slides his dick into me and I feel him deep inside. Really, I don't have a favorite part of sex. I love it all, from beginning to end, and I am very lucky to be able to climax over and over.

O40: Are you very vocal in bed?

C: Yes. I say things like, "Fuck me deeper! Harder! God, I love your cock!"

O40: Do you like when your partner is vocal, too?

C: Yes, that's a turn-on. Groan or talk dirty, whatever, I want to hear and feel his enjoyment of me.

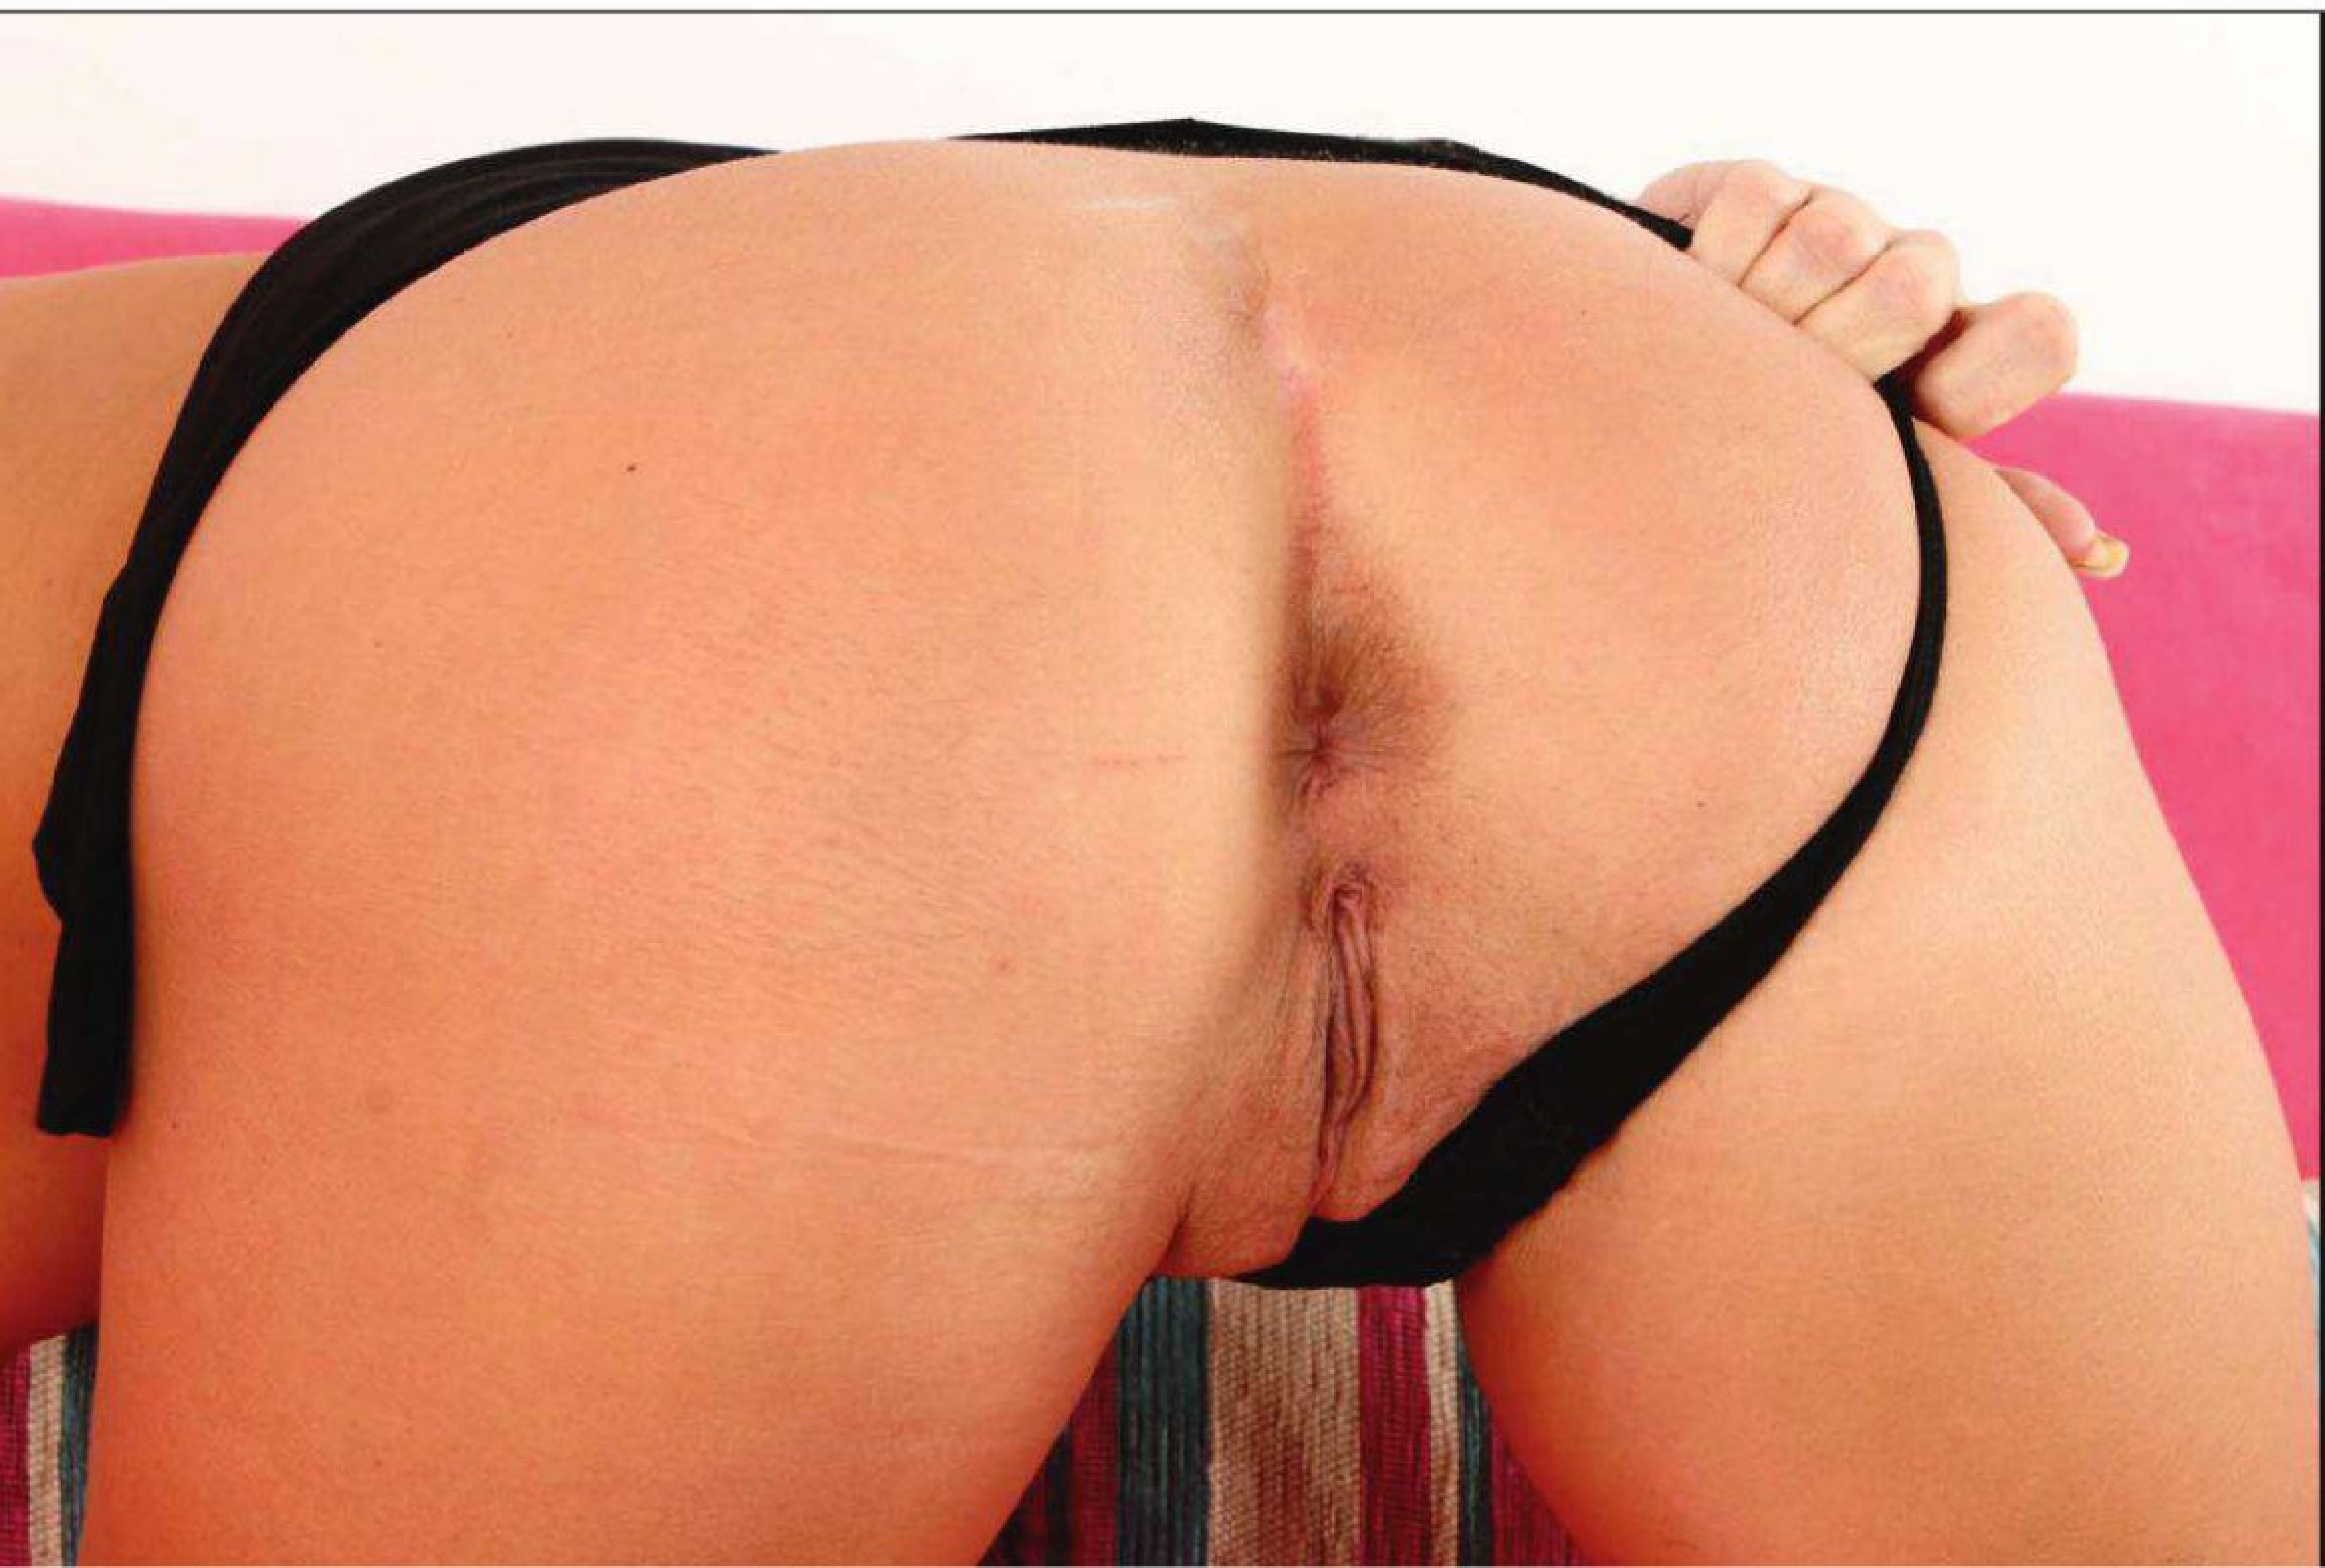

O40: Do you like riding the guy?

C: No. If I'm on top, I have to control it, and I don't want to be the one to control it. I want the man to control the fuck. My attitude is, I am woman, you are man, give me that dick!

O40: In any particular position?

C: In any position in which he's in charge and I am getting his dick deep and hard, and again and again. There is no better feeling than that!

“I’ve had men tell me that I was the first woman to give them their fantasy.”

BY REVA MOORE

AGE:

42

OCCUPATION:
Registered Nurse

FROM:
**Fayetteville,
Arkansas**

OVER 40: Hi, Trudy. Are you a horny lady? How often do you think about sex?

TRUDY: Oh, I am definitely a horny lady, a real bitch in heat. Sexual thoughts consume my mind at least 75 percent of the time. I go into withdrawal when I don’t get any and have to resort to playing with my toys.

O40: Do you masturbate a lot? What is your favorite toy?

T: My favorite is my Rabbit G-spot massager. It vibrates my G-spot and my clit in exactly the right way. It gets me off in mere seconds, so it is perfect for a quick pick-me-up. Even though I have sex quite often, I masturbate most days. I have

been masturbating at least once a day for as long as I can remember. One time, I made myself cum 15 times in one day. I think I must have set some sort of record. Usually, though, I only do it once.

O40: You have a smoky expression in some of your photos, obviously turned on. Would you say you’re an exhibitionist?

T: Without a doubt, I am an attention whore. I love to flash.

O40: Do you ever flash in public? Do you dress to attract male attention?

T: I like to wear short skirts with no panties and low-cut tops with no bra. I like to go to the mall and bend over in a shop, giving some bored guy a thrill while his wife is spending his money. I love feeling a man undressing me with his eyes. I

imagine his thoughts of bending me over and ramming his hard dick inside of me. If I were wearing panties, they’d be wet.

O40: Describe your ideal lover.

T: He’s hot and sexy. He’s someone who can be kinky, someone who wants to have sex often, and some who loves foreplay.

O40: What kind of foreplay do you want?

T: Anything and everything using our hands and mouths.

O40: What kind of lover are you?

T: I aim to please. As long as it’s something that won’t harm me in any way, I am open-minded and willing to do anything the guy wants. I’ve had men tell me that I was the first woman to give them their fantasy — deep-throat, anal,

golden showers, bondage, you name it.

O40: What is your favorite way to cum?

T: One of my favorite ways is with his mouth on my pussy and elsewhere down there. I love receiving oral sex and having my salad tossed. Another favorite way is being on top, with his dick high inside of me. That's the easiest way for me to cum, because it's deeper penetration and his dick hits my G-spot for an intense orgasm.

O40: Do you enjoy giving oral?

T: There is nothing like feeling a man's ass squirm under my hands as I hold him in position and give him deep-throat. I like seeing his stomach suck in and his mouth open as he succumbs to the pleasure I am giving him. It's an absolute thrill when he grabs my head and tells me to keep sucking his dick and to swallow his cum.

O40: Do you?

T: Most times, yes.

O40: Where else do you like to receive a man's cum?

T: On my breasts. I like to give a tit fuck and a blowjob at the same time and I like for him to pinch my nipples as he slides his dick between my tits. It's exciting to watch when he cums and see his white stuff covering my chest.

O40: Would you like our readers to think about that while looking at your photos?

T: Whatever does it for them is okay with me!

MY HUSBAND DOESN'T GIVE ME ENOUGH!

Forty-three-year-old housewife Grace makes good use of a studly handyman's "tool."

By Grace M.

By nine o'clock that morning, like all mornings, the kids were in school, my husband was at work, and I'd finished the minimal amount of housework I had to do. Now the day was for me, and I knew exactly what I was going to do with it. Handsome, divorced Matt would be coming over later to work on the bathroom plumbing, and I clenched my thighs together from the feeling of lust. A vivid image of him filled my mind. He'd been hinting, flirting ever so mildly, and I could tell he was shy about an out-and-out come-on.

I could see his reasoning. Between jobs, he picked up money to supplement his unemployment checks, and he wasn't looking for the kind of trouble that would force him to move to another town. He wasn't sure if I'd be horrified and complain or something, and I didn't want the kind of trouble I'd find myself in, either.

Of course, he had no way of knowing what I knew about my husband. Brian was getting his out of the house, probably with one of the girls at his office, or maybe another executive from another company — that was more likely in these days of sexual harassment suits. He thought I was just a pure, innocent, stay-at-home housewife, and my pressing him for sex did nothing to dispel that belief.

And sex was the problem. Never mind the sanctity of the marriage bed and other worn-out concepts that were never real. He was less and less interested in doing it with me, and I had been getting hornier and hornier. Since he would never look through my dresser,

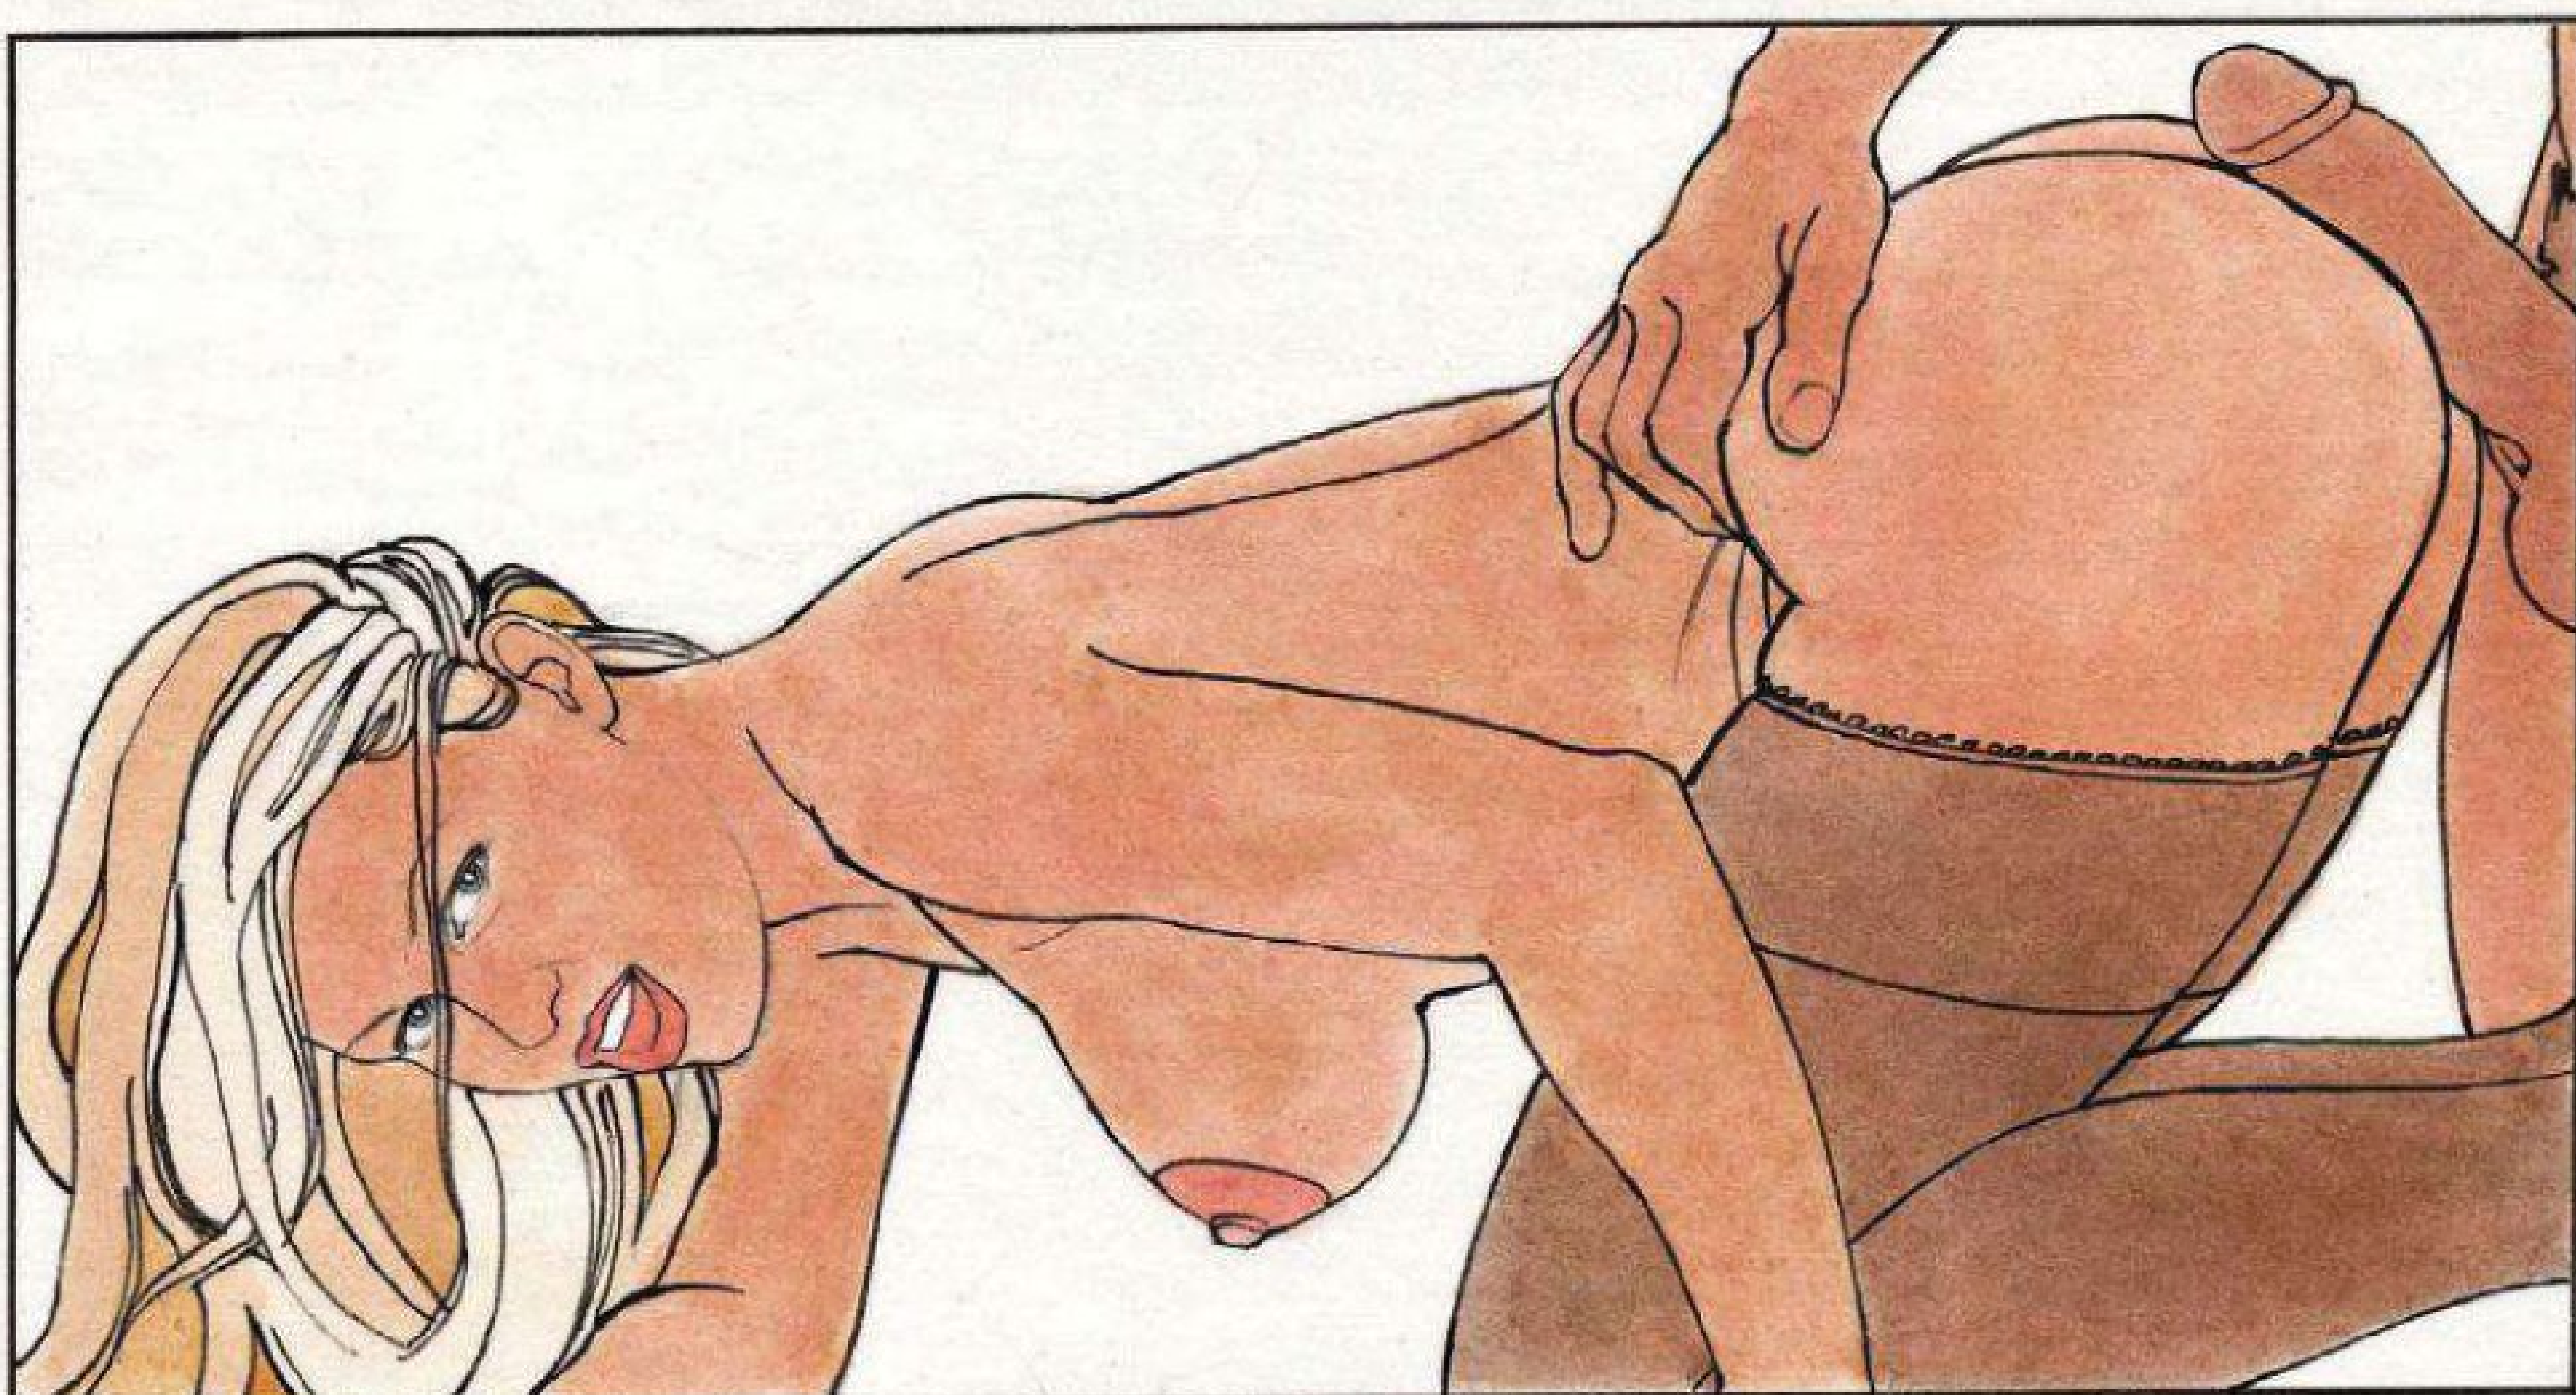

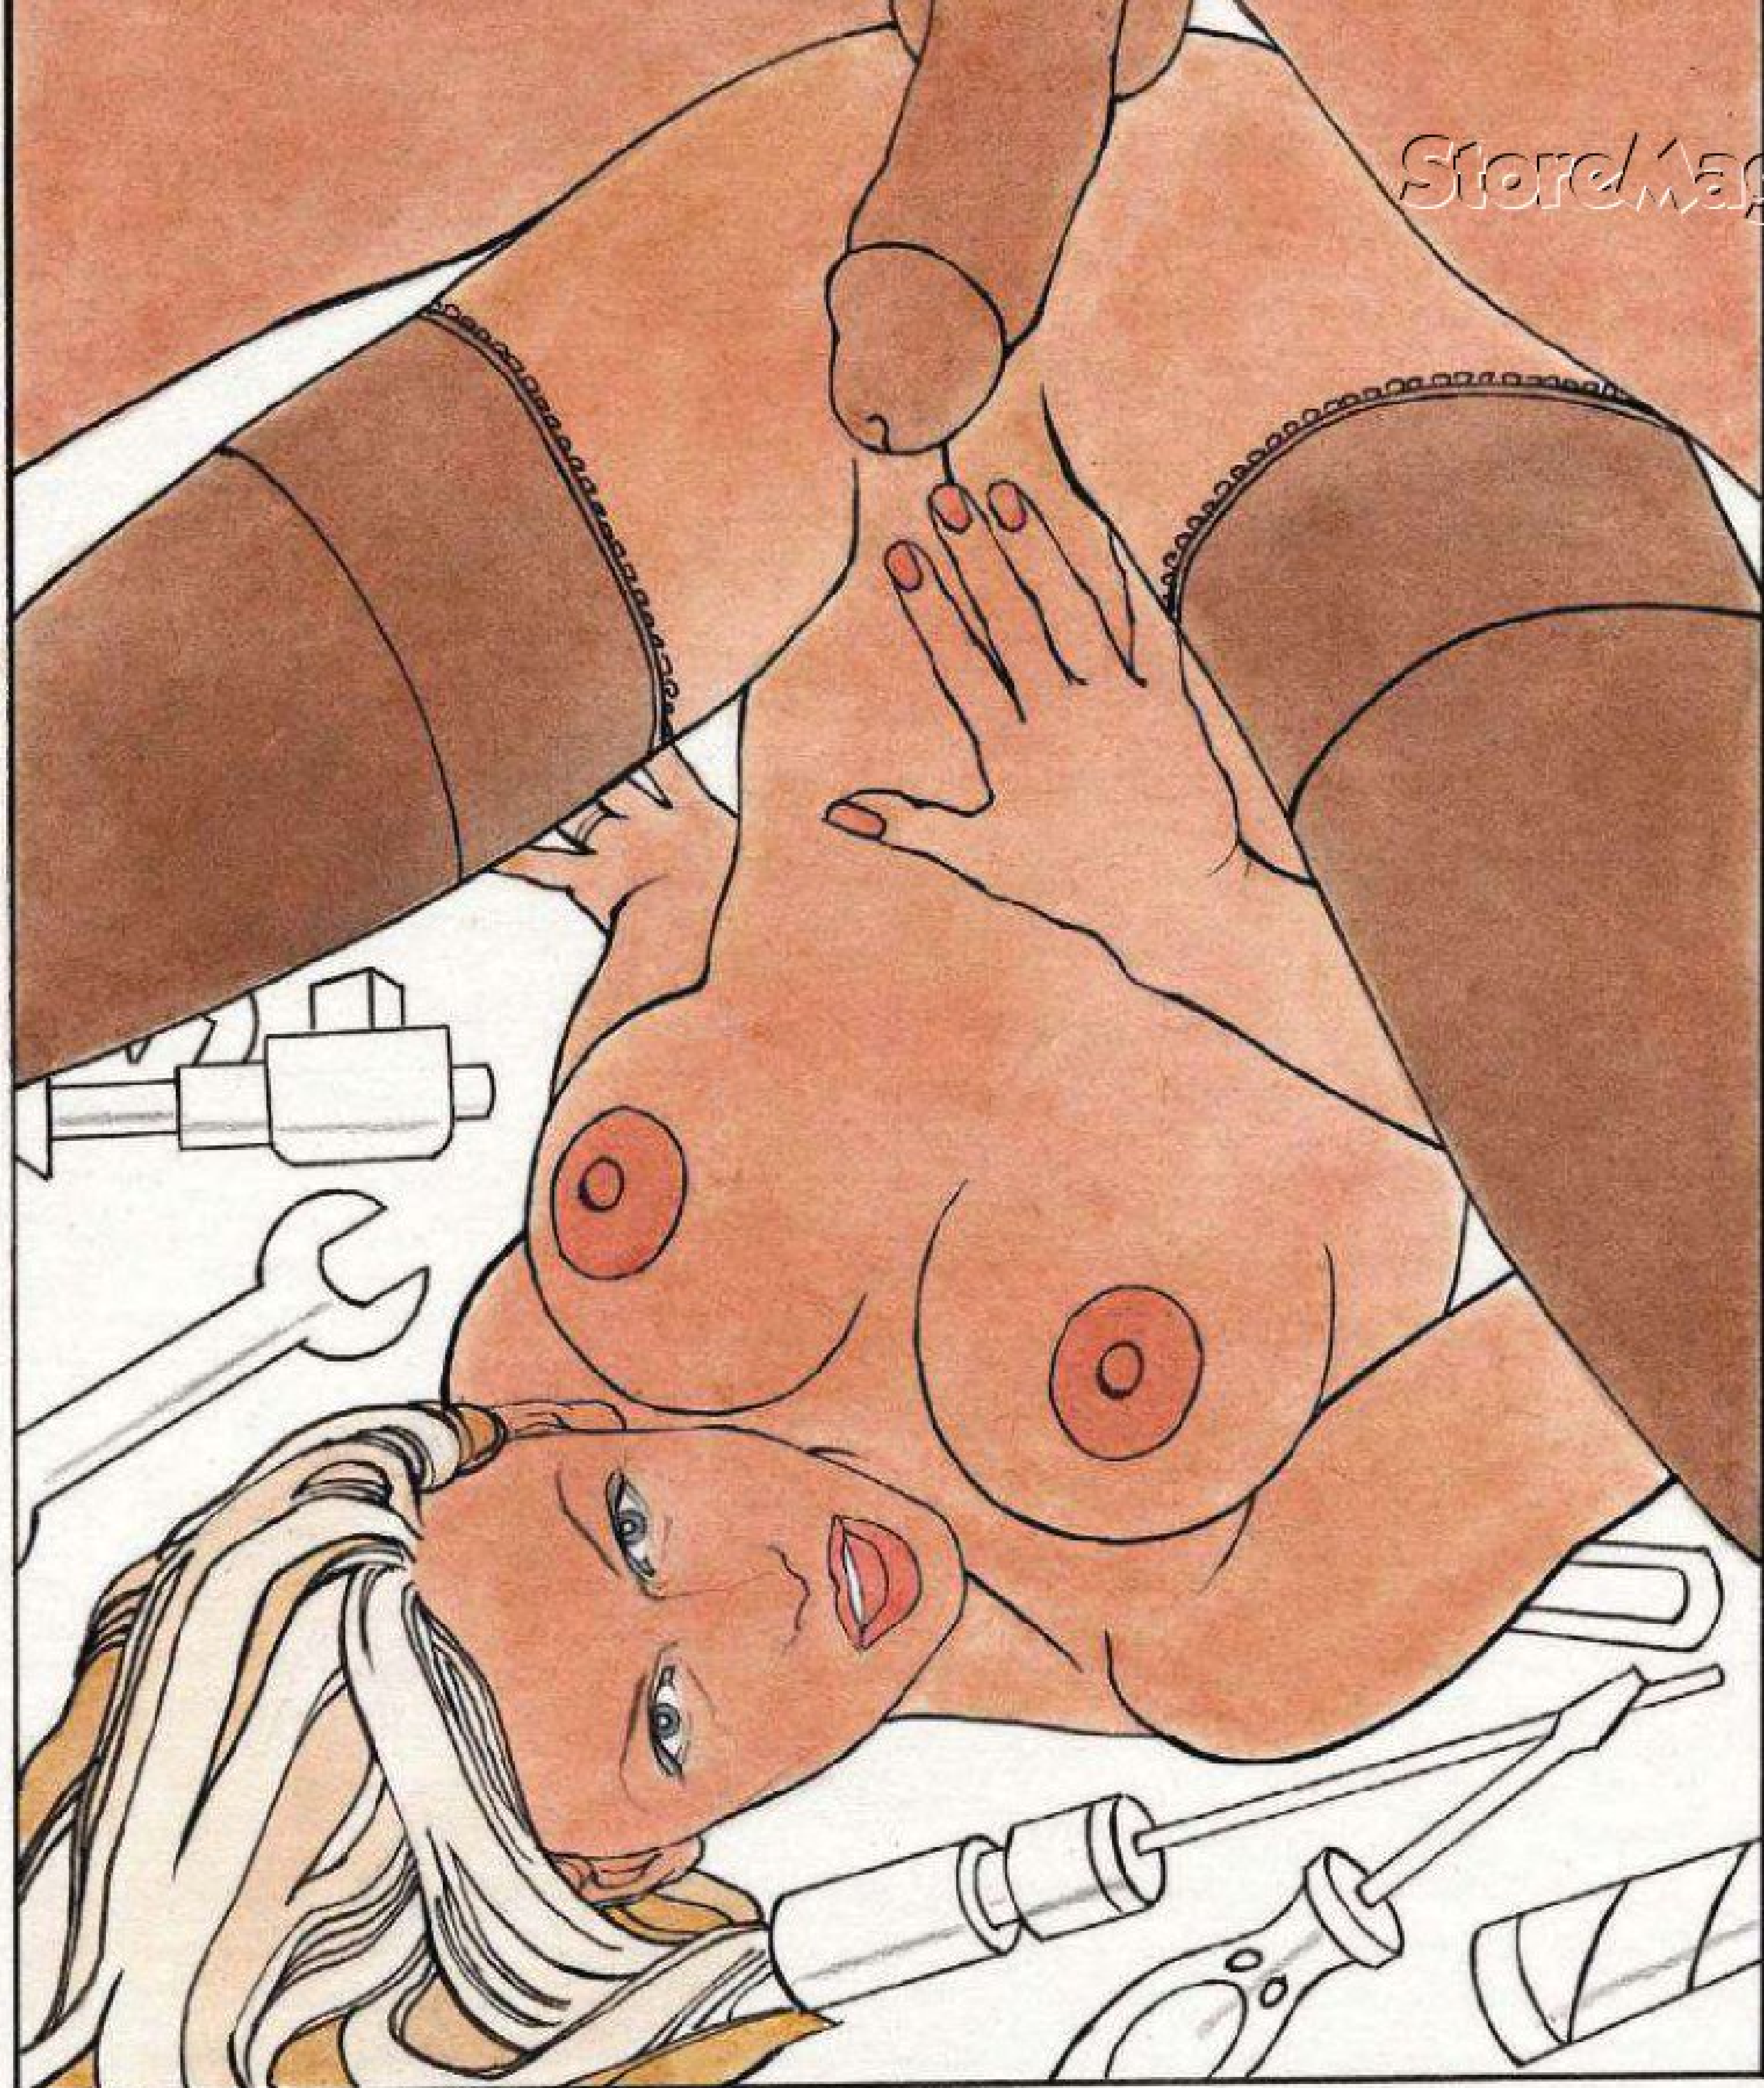

he wouldn't find the little sex toy I used on myself, and the box of condoms I kept ready for "just in case."

"Just in case" was going to happen today, I resolved. So, to not be too obvious and scare Matt off, I put on the kind of plain dress I usually wore around the house. Not at all as usually... I had nothing on underneath. Thoughts of Matt made me decide to relieve myself before he arrived. It was nearly ten now, and he wouldn't be here until eleven. Thanks to after-school activities, the kids wouldn't be home until after five, or later if they went somewhere with friends, and Brian would be working late as usual.

I knew what he would be "working" at, and I went up to our bedroom to do the same kind of "work" on myself. I took off the dress and gazed at myself in the full-length mirror, and I smiled at how those workout sessions were paying off. At forty-three I was still slender and could be taken for years younger. My small breasts, half-apple-shaped, were still firm, and I hadn't gotten bushier further down. I never had a "forest" on my pussy, and anyone who performed cunnilingus on me wouldn't have to worry about hairs in the mouth.

Opening my dresser drawer, I pulled out the small, black, hard rubber phallus and tossed it on the bed. As an afterthought, I took out the condom box and placed it conveniently on the night table.

Now I was ready to pleasure myself. Lying back on the bed, I slowly caressed my breasts, taking my nipples between thumb and forefinger and tugging gently, and I rubbed my bare rear against the smooth sheets. I

could feel myself start to get wet, as I slid my hands down my chest and stomach, and I paused with my fingers an inch from my mound to tantalize myself momentarily before plunging both hands between my thighs. I stroked my labia, feeling more wetness, and I dipped in just a fingertip. I drew a hand out to pick up the small dildo, and I slid it into my mouth. Given its shape and the realistic veins, it felt like a real penis, but much colder, and not as satisfying. I sucked on it and wondered if I should give Matt oral sex. How much time would he need to get hard again, though? The man was two years younger, forty-one.

Lust was overtaking me, making me impatient to get on with giving myself an orgasm. I took the dildo out of my mouth and reached between my thighs, rubbing the fake prickhead along my slit several times before slipping it in. A sharp pang of lust made me lift my rear, and I gripped the fake phallus with my well-worked pussy muscles. Men loved that, loved the way I can grip an inserted penis, and I wondered if whomever my husband was fucking could do that. Probably, yes. I started stroking, imagining that Matt was already in me, and my orgasm burst suddenly.

I was barely aware of having withdrawn the dildo, which was still clutched in my hand. For a moment I reveled in the temporary satisfaction, and then a glance at the clock on the night table told me I'd better start getting ready. I replaced the dildo in its hiding place and went to the bathroom for a quick shower, and I put the dress back on and sat back on my living room couch.

Matt arrived about twenty minutes later, right on time as always, carrying his toolbox. I followed him to the bathroom and leaned in the doorway, watching as he quickly made the adjustments.

"That's it, Grace. Now you're all set." He put his tools back in the box and reached for his light jacket.

"You don't have to go right now, do you? I mean, I owe you at least a cup of coffee. Go downstairs and make yourself comfortable, and I'll be right with you."

Something in the tone of his voice told me this really was going to be the day. I quickly prepared coffee for us, and I sat down next to him on the couch. "So, tell me, Matt. What's the single life like these days?"

"Oh, it's okay."

"Really? All by yourself?" I slid closer to him. "At night and all, I mean."

"Yeah, that can be difficult."

"Wouldn't you like to have someone make it easier for you?"

He caught my meaning and gulped visibly. "Well, yeah, but you're...."

"Not wearing anything under my dress, Matt," I interrupted. "And I know what you were going to say, but shouldn't you give me what my husband doesn't give me enough of?" I pulled the dress up to mid-thigh, and he shuddered.

"I shouldn't... I should resist you... but I can't."

We looked into each other's eyes for a moment, and then his arms were around me and we were locking lips. I laid my hand over his crotch, feeling something move in there, and I sucked his tongue into my mouth. He laid his hot hands over the top of the dress, and I unzipped his fly and slipped in a finger. I pressed a fingertip to the crotch of his briefs and felt his prick growing under the white cotton, and I seized his wrist and thrust his hand under the dress.

Matt shuddered. A powerful surge of lust made me shudder as well, and I pushed his tongue out of my mouth and slid back. I stood up and pulled off the dress, noticing that I'd had the sense to completely cover our big front window. "Let's take this upstairs," I rasped. With the dress over my arm, I headed to the bedroom, and I glanced back at him. His gaze was fixed on my bare ass, and another surge of lust made me stop for a moment at the head of the stairs.

I couldn't help reaching for my pussy. I clutched my mound and continued to my bedroom, and I was lying naked on the bed when he stumbled. Lying crosswise, my feet toward

the door, I reached down again and spread my lips, showing pink. He fumbled with the buttons on his work shirt and managed to get them open without ripping them, and I watched as he dropped his pants and nearly fell over them, as he stepped toward the bed.

"I'll take those off, Matt," I purred, as he reached for the waistband of his briefs. Taking hold of the waistband, I pulled it down slowly, as he kicked off his crumpled up jeans. His cock sprang up hard, and I rubbed my pursed lips against the head. Although I originally wasn't going to suck him off first, I couldn't resist the sight of that magnificent member so close to my face.

Taking hold of his erection, I nuzzled the head and thrust it into my mouth, drawing it slowly. His knees buckled, and he grasped my bare shoulders, as I drew his prick until his scrotum touched my chin. I had one hand free, and I dropped it between my thighs and stroked my labia as I sucked him. He rolled his eyes down, saw his balls bouncing off my chin, and made a cute groaning sound. His cock started jerking, and I felt it spurt copiously into my mouth.

“He asked me how I’d like it, and I replied by staying on my back and. Matt slid between my legs, holding his sheathed erection, and he tapped the head against my slit.”

"That was so good," he said between gasps. I slid back on the bed and spread my thighs. "I guess maybe I should go."

"I guess maybe you shouldn't, Matt. Isn't a gentleman supposed to return the favor?"

"I'd love to, but wouldn't it look suspicious if I was here too long?"

"Good point, but it wouldn't look like anything if you had a bigger job to do." Gazing at his softened cock, I thought, I have a big job, too. "Go to your van and get something work-like from it. When you leave for the day, you'll look like you've been working hard, all sweated up — and I'll make sure you'll be looking like that."

He left, and I stroked myself to a quick cum in case he decided not to return. I recalled that his gaze was on my wide-open pussy the whole time we were talking, and I was pretty sure he'd come back quickly.

I first thought to stay on the bed, but I couldn't resist going back downstairs and peering through a crack in the drapes over the front window. Matt opened a side door of the van and took out a length of pipe and a couple more tools. He paused, gazing at the house and then at the front of the van, and for a moment, I thought he was going to change his mind, get in and drive off.

But, he turned back to the house and walked quickly, but not too quickly, to the front door. I opened it and stood behind it, as he strode in, and when I closed it behind him, he gasped to see that I was still naked.

A glance at a wall clock told me that he was absent for less than fifteen minutes. I scampered upstairs, and as before, he was staring hard at my bare ass. Back in my bedroom, I stretched out and spread, and he stripped out of his work clothes.

Matt's prick was already getting bigger. "It seems I have a favor to return, Grace."

"Yes, you do, Matt." I laid down lengthwise across the bed and lifted my feet, raising my legs, watching the swaying of his big prick — bigger than my secretary and call-girl-loving husband's — as he climbed up on the bed and flattened out procumbent in front of me.

I felt his hot hands on my hips, just above the curve of my buttocks, and then his hot breath on my sex. He kissed my slit hard and pushed his tongue in, licking surprisingly deep, and I could tell right away that he had plenty of experience at cunnilingus. He brushed the tip over my G-spot and I thought I was going to cum, but I was only halfway to climax when he with-

drew his tongue and starting licking expertly around my labia. Both lower lips swelled against his face. He slipped in a finger and dragged his tongue to the top of my slit, using just the tip of his tongue to nudge aside the protective sheath over my clitoris, which he licked around in long, slow circles.

We were in the upper room of a well-insulated house, so my loud shriek of ecstasy couldn't be heard from the street — or even the adjoining houses, I was that loud. At the peak of my climax, I pulled back, and he pushed forward, keeping his upper lips against my lower lips, as I soaked his mouth with my arousal fluid.

"Damn, Matt, did you study that in college?" I quipped when I caught my breath. "If there's an Olympic event for pussy eating, you'd get a gold medal!"

Now it was time for the main event.

Picking up the box of condoms, I advised, "You'd better use one of these."

"No problem — I always would, Grace."

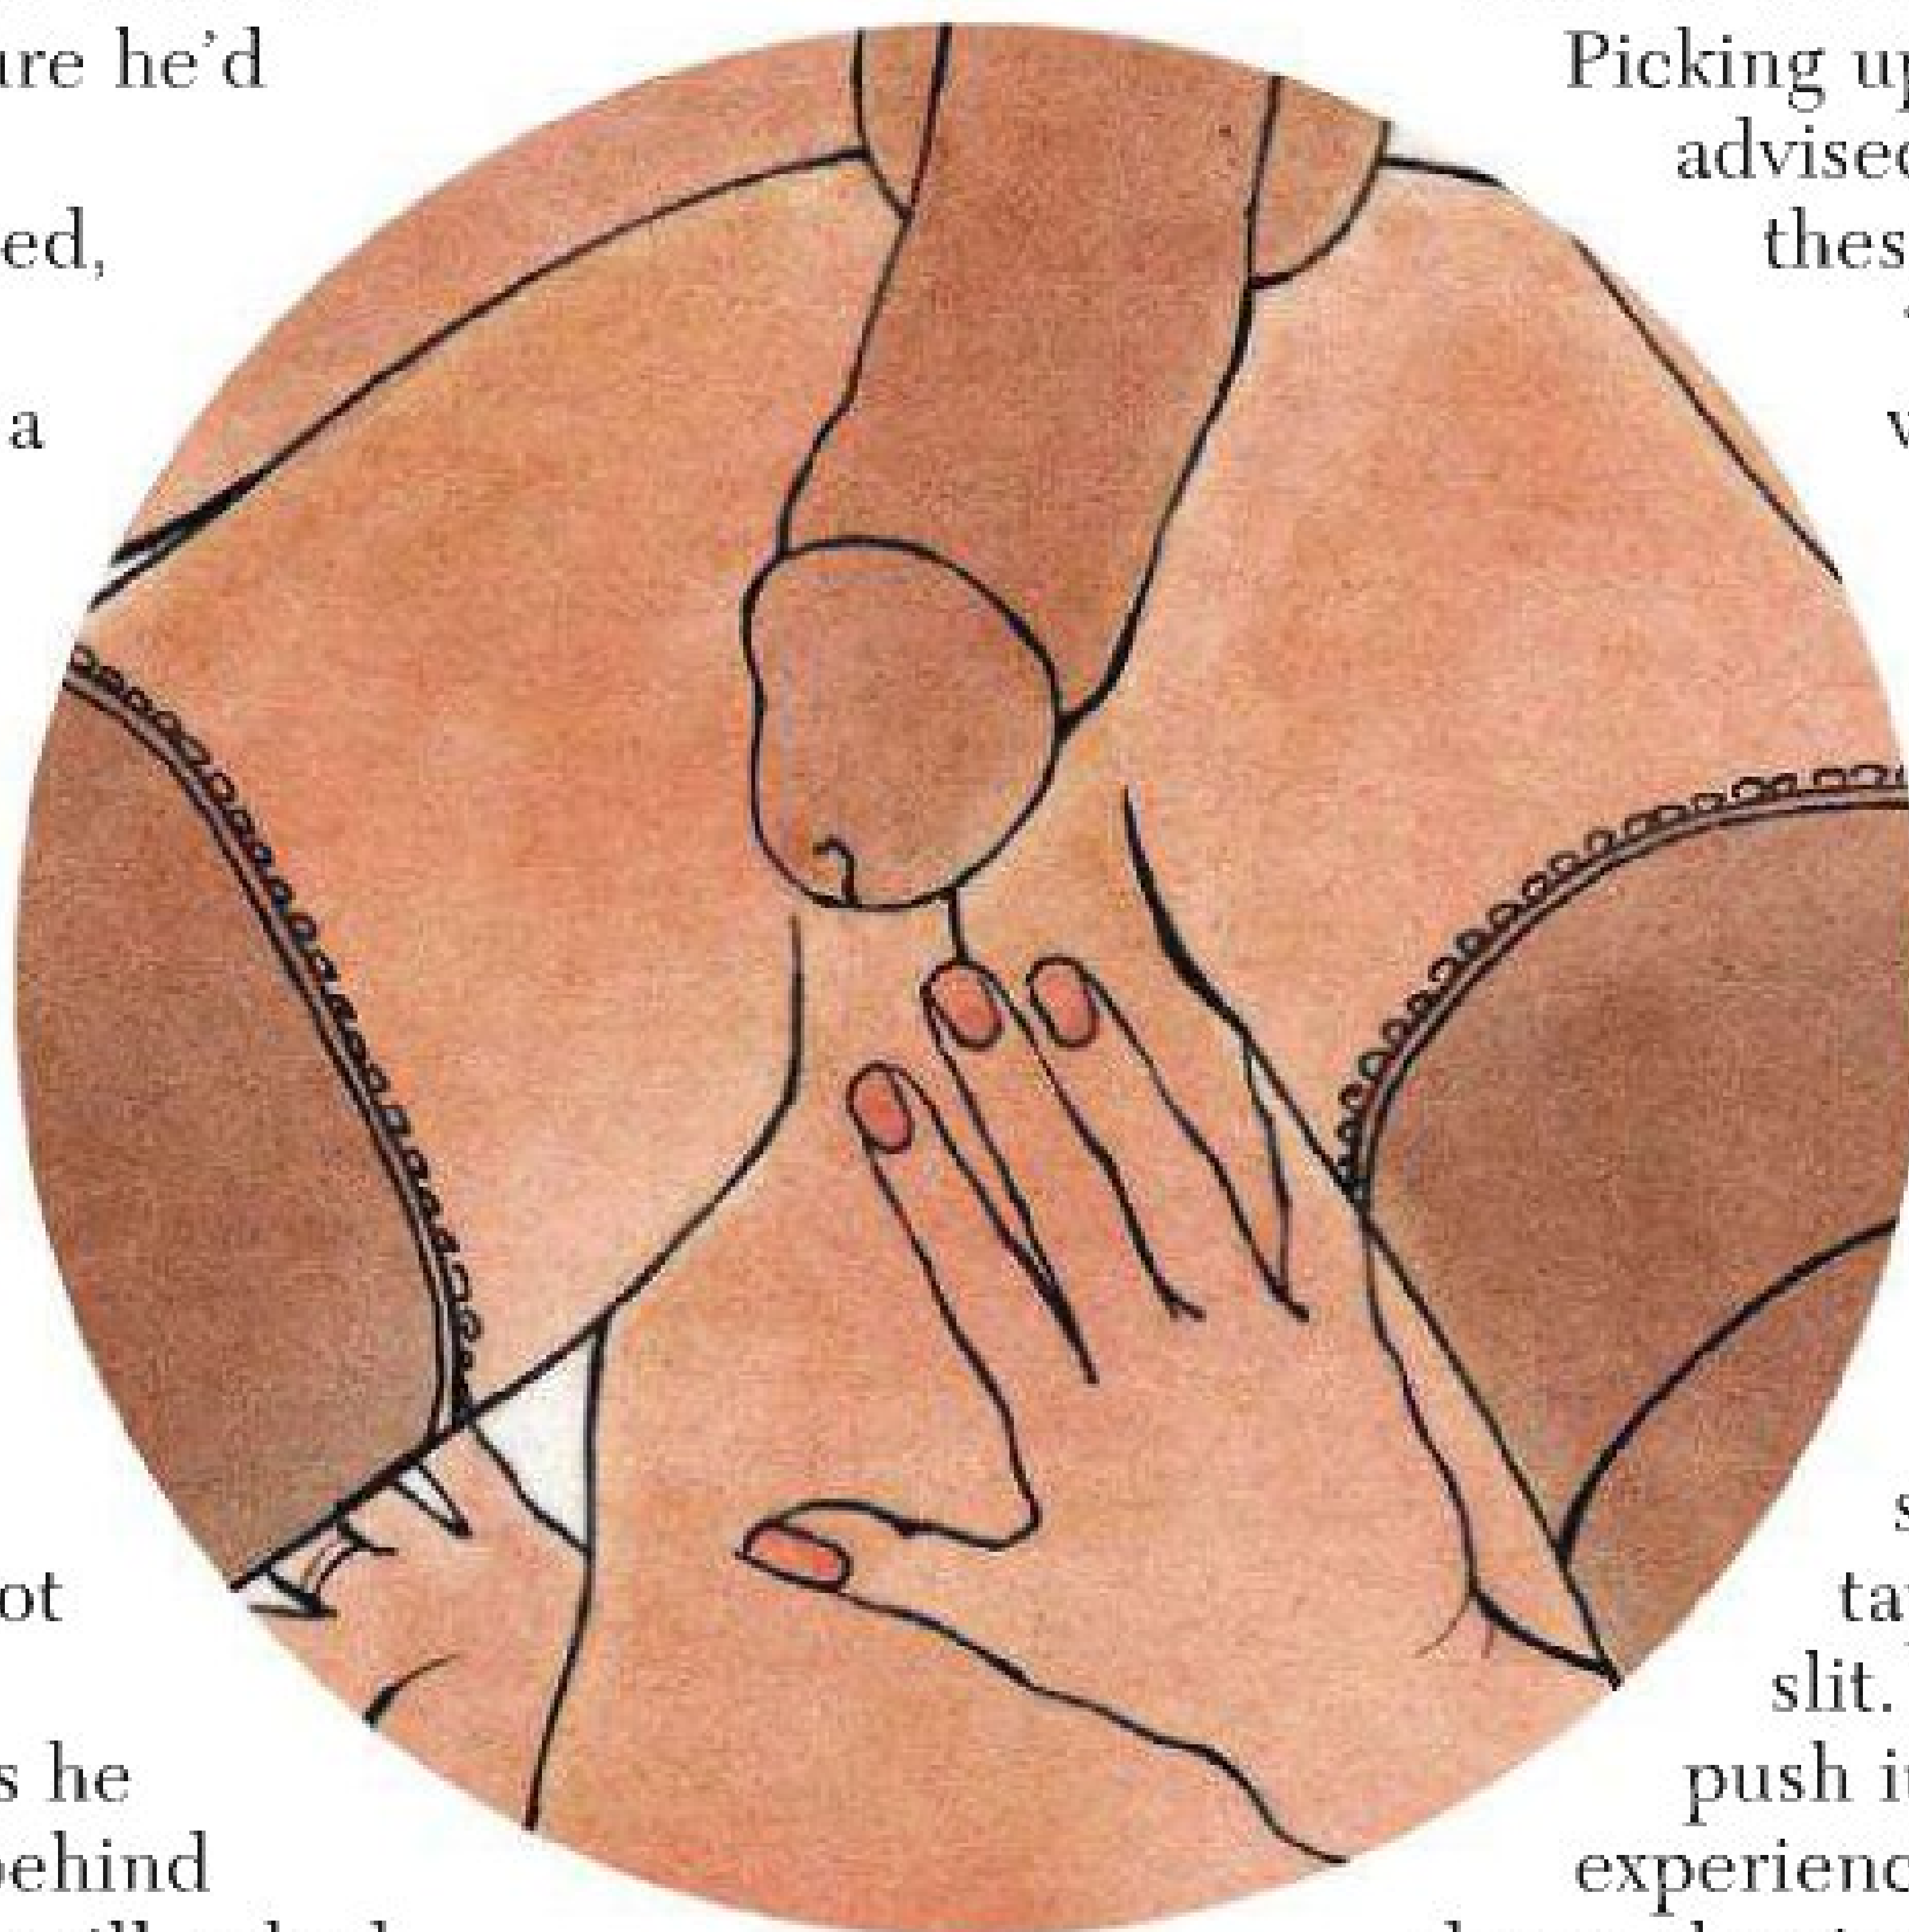

He took out one of the packets and opened it, and I couldn't help taking hold of my pussy, as I watched him slowly slip it over his hard-on. He asked me how I'd like it, and I replied by staying on my back and lifting my feet again. Matt slid between my legs, holding his sheathed erection, and he tapped the head against my slit. I thought he was going to push it right in, but he showed his experience by rubbing it up and down, the tip of his prickhead just inside, until I pushed at him and moaned that I had to have it in me.

Pausing one more moment to dab the head against my clit, he pushed it in and slowly filled me with his prick, which I seized with my exercised pussy muscles. We started slow, long in and out strokes, and we picked up the pace, those strokes coming faster and faster. I climaxed twice before he shot off, and when he pulled out, I realized that I had only an hour before the kids came home.

"You know we have to do this again," I said, now wearing a bathrobe.

"I agree, Grace."

Next time, I'll have him do something my husband wouldn't even think of. My pussy isn't my only sex hole, and I know I will soon have that great big cock of his in my rear end.

Alexis

“She’ll watch me fuck him, and we’ll take turns sucking his cock.”

BY BEA HARRIS

AGE:
48

OCCUPATION:
Billing Clerk

FROM:
Orlando, Florida

OVER 40: Women who’ve been interviewed here said that sex just got better after they turned forty. Is that true for you?

ALEXIS: Oh, definitely. My orgasms are longer and stronger, and I’m hornier than ever. By day, I’m a working mother — my kids just started college — and by night, I’m a sexual wild woman.

O40: You must give your husband quite a workout!

A: Yes, he says I’m more than he can handle, and he appreciates my need for variety. Unlike other couples we know, our marriage just got stronger over the years. Jealousy makes no sense,

because he knows it will always be the two of us.

O40: With how many other men do you satisfy your need for variety?

A: Only one, right now. As you can imagine, very few men would be willing fuck another man’s wife right in front of him, and they may not be able to handle Andy’s joining in.

O40: Does Andy sleep with other women?

A: He has, but he doesn’t have another woman to get it on with now. Men would be reluctant to fuck a married woman, and most women wouldn’t want to

hear about fucking a married man — especially if his wife is there and watching.

O40: Which turns you on more, being watched or watching Andy?

A: That’s an interesting question. I’d have to say both, I guess. I’m turned on by having him watch, well maybe more so because I’m fucking, but watching him with another woman also gets my horny juices flowing.

O40: And do you join in when he’s with another woman?

A: Yes, we share him. She’ll watch me fuck him, and we’ll take turns sucking his cock.

O40: What about you and the other woman while Andy is watching?

A: I just can’t get into that, and neither can the woman we know. She’s in another city now, and we’ll have another one of our “dates” when she comes here for a visit.

O40: Now, suppose Andy has a bisexual other woman. Would you consider trying sex with her?

A: Yes, I think I would, just to see what that could be like. I can’t say it’s an actual fantasy of mine, though.

O40: You said your husband joins in when you’re with another

er man. What do you do?

A: Andy will have his cock out in the open. That's something else many men couldn't handle even if they got around fucking me while he watches. Our special friend doesn't mind at all. He's a single swinger, divorced, actually, and he's used to being around other naked men.

O40: How do you feel about swinging? Is that something you think you and Andy would like?

A: Well, it's possible, like the next step after our threesomes. However, we don't know any swinging couples. When our friend finds a woman who would be into it, we'd have the ingredients for a four-some, and Andy and I would go for it. And you know, I might try it with the other woman.

O40: Fill in the scene for our readers. Your husband has his cock out, and you and the other man are on the bed.

A: First, of course, we have a couple of drinks and talk, and then we head to the bedroom. I'll get on all fours crosswise on the bed, and our friend will get behind me. Andy gets on his knees in front of me, and I take his cock into my mouth. When my husband's cock is in me deep enough so his balls touch my chin, our friend slips his prick into my pussy and leans over me to take hold of my breasts. We all cum fabulously!

O40: Alexis, that's how our readers will react to your layout. Thank you!
